PRESIDENT'S REPORT

Friends, Members of the Forty-first Annual Convention of the Women's Missionary Society and Representatives of the Light Brigades of the North Carolina Synod, co-workers in the Great Cause, we greet you:

As co-workers with Him have we here assembled on this rare June day to review that working of the year that has gone and to plan for further co-working through the year that is before us.

By the compassionate love and tender mercy of our kind heavenly Father, are we privileged to gather here after the year's passing. We are here yet not all who were aligned with us at the beginning of the Synodical year just ended. Records of the different societies show that 28 who labored with us have been called to be with Him in His Church Triumphant. We bow

in sorrow over our loss but rejoice in their gain. The heart-felt sympathy of this Society goes out to all the families of the deceased. One out-standing co-worker who presided over the Convention of this Society here in this church in 1916, and who so faithfully served in various capacity in the years gone, has dropped from our ranks. As a Synodical and individually, we keenly feel and realize our loss in the decease of our one-time President and always co-worker, Miss Constance Cline. This Society's expression of sympathy was sent to the family and its prayer is that the pitying Father of us all, draw very near to comfort and to bless. Realizing more and more that today only is ours, and that the beginning of another Synodical year may find some of our names transferred from our societies' rolls to that roll up yonder, we do but say in deeper fervency, "Lord, what wilt thou have me to do?" Our Historian's and Executive Committee's Reports carry recommendations relative to the passing of our co-workers, which await your adoption.

Now to the members of Macedonia Missionary Society, to the congregation and friends, we do say that we are glad to be here with you—to mingle again with a people who so graciously entertained the Annual Convention just one decade ago. Having come in response to your kind invitation then, I am sure that I voice the feeling of this body when I say "It rejoices us to be here present with you." That first visit to Burlington was so delightful that it was impossible to resist this second call, "Come over into Macedonia." It is our hope that our stay together may prove mutually profitable and result in greater co-working with Him.

General Status of the Work

We are glad to report the general life of the local Societies and Light Brigades as being vigorous. A gradual growth of interest is apparent in most of our organizations, evidenced in various ways. The pastors throughout the Synod seem sympathetic toward and appreciative of the efforts being made to extend our work. Our desires for growth shall not cease until every woman and every child of every congregation within our Synod has become a member of this Society.

There has been an increase this year in membership of women from 2849 to 2919 and of Light Brigade membership from 3424 to 3612. We are glad to say that two (2) new Women's Societies have been formed and seven (7) new Light Brigades, which makes a total of one hundred and eleven (111) Women's Societies and one hundred and eleven (111) Light Brigades. There are still 50 congregations in the Synod without Women's organizations and 50 without Light Brigades. In fervent prayer and

with ardent zeal we must press forward looking unto God for the increase, remembering ever that one may plant and another may water, but that "God giveth the increase." The actual gains and losses will be given through the proper reports. Some of the dropping off may be the result of that ruling passed by this body in 1924, viz.: "That the names of all Missionary Societies and Light Brigades which have sent in no funds during the Synodical year be dropped from the roll." We most sincerely trust that an investigation is made in each instance before that measure is resorted to. There should be a Committee whose specific duty it is to look into such situations and use every endeavor to aid delinquents to duty before such process of elimination is made effective.

Field Secretary

It has been our privilege and pleasure to have with us since May 4th, Mrs. H. C. Bell, Field Secretary of the United Society. Mrs. Bell's visits have been for the most part confined to the Western Conference territory where we number fewer societies but where she has visited every congregation save 2. Her itinerary ends with the 17th inst., but it is our hope that she return in the spring of 1927 to complete her visitation of our congregations. We believe that good and lasting results from Mrs. Bell's efforts are to follow. New life and interest are already evident and several new organizations have been effected. Not only has the Western Conference been covered, but several appointments have been met in the Southern Conference. Mrs. Bell herself, is with us in this Convention and will in all probability make reference during our meeting, to her work amongst us. She reports to me as follows:

Number of days in our territory	39
Number of parishes visited	33
Number of churches visited	73

In our recommendations you will find one relative to resolutions of thanks to both Mrs. Bell and to the Executive Board of the United Society for the great help which she has contributed to our work and for the United Society's having made such a service possible.

Executive Committee

Your Executive Committee has held five regular meetings during the year: one in Charlotte, June 12; one in Hickory, August 22; two in Salisbury, January 23 and March 27; and the fifth here in this Church yesterday afternoon. The Recording

Secretary will render a report of the business as transacted by the Committee. I wish to testify before you to the loyal devotion of my co-workers on this Committee, and to the sincere discharge of duty of all the Department Secretaries whom you chose to carry on the different lines of work of this Society. I commend to your love and appreciation, but most of all to your prayers, these loyal, devoted, self-sacrificing women.

Conferences

The three Conferences organized in 1922 for the express purpose of taking to different sections of our Synod, Convention **information** and **inspiration,** were held on successive days, June 29, 30 and July 1, in order to have present at each the same interesting speaker, Mrs. G. C. Leonard, returned missionary from Africa. It was my privilege to have been at each of these Conference meetings and the splendid attendance with the great interest manifested, leave the impression that these Conferences are very worth-while. Presidents elected were: Eastern, Miss Laura Efird; Western, Mrs. P. E. Monroe; Southern, Mrs. E. C. Cooper. Owing to the latter's removal from within the bounds of Synod, Mrs. L. A. Thomas, Vice-President, has succeeded Mrs. Cooper. Reports from these Conference Presidents will be heard during the Convention.

Summer School for Church Workers

For several years, or since its beginning, Mrs. E. A. Shenk has been the able representative from our Society on the Committee for arranging the program for the Summer School for Church Workers. To Mrs. Shenk is due our deep appreciation for the efficient service which she renders in this capacity. Since one of the outstanding and urgent needs of our work is for "trained leadership," surely each Missionary Society and Light Brigade should send a representative to this school, August 3 to 12! Not only can help be found for all lines of our work, but Luther League, Brotherhood and Sunday School work—in fact all lines of Church activity, are stressed at this Summer School, our Church School.

Home Missions

"Repentance and remission of sins should be preached in His name among all nations, beginning at Jerusalem." With these words of our Savior to His disciples (whom we are) and with the plain evidence of the great number of un-churched in our fair land, yea in our beloved "Old North State," our hearts must be impressed with that "beginning at Jerusalem." Are we deeply enough interested in the work to be done right here

in our midst? When in reading the Minutes of our Synod we notice the great Home Mission program and the number of points being worked, with the many others needing to be worked, then we do but long to be a greater auxiliary of our Synod that we might be more really co-workers with them. We wish that it were possible to assume more points as our "specials." While we have never been officially advised that our request to designate St. Andrew's, Andrews, N. C., as our "special" has been granted, yet we assume that the Board is willing that we do all we can toward the construction of a church at Andrews, and the following amounts have been applied to our "special":

Lenten Week of Prayer and Self-denial Offering (1925)	$2,138.40
Lenten Week of Prayer and Self-denial Offering (1926)	2,011.13
Amount for unfinished Home Mission Work from United Society	1,500.00
July Home Mission Offering (1925)	759.77
Total	$6,409.30

Andrews must be helped further so let us put our hands to the oars and make—all together—one grand "pull" for St. Andrew's that the church may be a reality at no distant day.

July Home Mission Offering

Last year it was decided that all societies conform to the general rule of having **one in-gathering** time per year, of the **Daily Thank Offering**, and that the offering which a number of societies had been designating as "June Thank-offering" should henceforth become our mid-summer offering and be known as our "July Home Mission Offering." It was voted by the Convention that the offering last July go to St. Andrew's. The contribution was but $759.77, since many of the societies had already given that offering as "June Thank-offering." It is most earnestly hoped that the 1926 offering be a liberal one and that it be applied also, to St. Andrews.

Foreign Missions

We are impressed with that "beginning at Jerusalem," yet equally impressive that "teach all nations." Never has a time been since Christ passed His work on to His disciples, that saw such urgent demand for service in all nations, as sees this time. Never a day has been that showed such opportunity of service,

as shows this day! Interest in Foreign Work continues to develop no less than interest in Home Work. For the past year the following amounts have been given directly to Foreign Missions:

Support of Bible Woman (India)	$ 419.90
Support of Bible Woman (Japan)	125.00
Support of Japanese Evangelist and Wife	300.00
India Scholarship	40.00
Virginia Boyer Memorial (Christmas Offering)	580.09
Union Christian Colleges	2.00
Foreign Mission Deficit of Synod	8.50
Foreign Box Work (Africa)	25.00
Foreign Box Work (India)	3.00
Foreign Box Work (China)	49.25
Foreign Box Work (Japan)	5.00
Total	$1,557.74

Besides these amounts in money for special purposes, our societies have contributed to Thread Sunday for India Lace; and also bought of the products of the India and West Indies Industries.

Finances

This year the Women's Societies have given for all purposes $15,659.14, while the Light Brigades have contributed $2,905.43, making a total offering of $18,565.57. 1924 saw a total contribution from the women and children of $21,696.85. We take 1924 for comparison, since 1925 was shortened to nine months by the moving of the Convention meeting from August to June. Comparing this past year, then, with two years ago, we find a decrease of funds for the twelve months. Over this less amount of money we need feel no discouragement. In 1924 a very great effort was put forth along many lines in order to make a "good showing" for the Biennial Convention in Salisbury. And then the Girls' School in Japan developed much interest and called for enlarged giving in 1924. The pageant, "The Way," given in so many of our societies, made its appeal and got its results. For all that we were glad, and too, we rejoice that we have offered $18,565.57 during the year past for extending the Kingdom of Christ in the world. Let us notice the growth since the meeting here in 1916. Women's organizations then numbered 56 with an offering of $3,049.40; Young Women's Societies numbered 34 with a contribution of $890.28; Children's Societies numbered 45 and gave $835.73; a total membership of 3,270 for 1916 with an offering of $4,775.41. In the decade we have sur-

rendered the Young Women's Societies; we have gained 55 Women's Societies; we have gained 64 Light Brigades, while in funds we see an increase of $13,790.16. Do we not have cause for encouragement and for thankfulness to God for giving the "increase"?

Work of the United Society in North Carolina

The $1,500.00 which the United Society has been allowing to us since the merger of the three general bodies for unfinished Home Mission Work, is discontinued with the $1,500.00 which goes to Andrews this year. $1,500.00 Light Brigade funds goes for the salary of a parish worker in Watauga. Miss Cora Jeffcoat is still retained in this field, her services being now confined to the Mission end of the territory (Grace, Holy Communion, St. Marks and Banner Elk). $690.00 Light Brigade funds is appropriated towards the pastor's salary in this Mission.

At the March, 1925, Executive Board meeting it was recommended to the Board of Home Missions and Church Extension, "That Miss Cora Jeffcoat be granted a leave of absence for eight weeks during the winter of 1926 for study." This recommendation was adopted by the Home Mission Board and Miss Jeffcoat spent eight weeks of this spring in study at North Carolina College for Women, taking her vacation as part of the 8 weeks.

Mrs. John M. Cook continues the representative of the United Society at the Blue Ridge Missionary Conference, which comes this year June 25th to July 5th.

The United Society grants an appropriation of $400.00 through the Board of Home Missions and Church Extension for the support of Mr. J. D. Shepherd, assistant parish worker in Watauga Mission for the summer 1926. Also the United Society appropriates $284.50 toward the purchase of an open car for Miss Jeffcoat.

In addition to the above, the United Society for the Biennium 1924-1926 assumed as one of its three general objects (the other two being General Fund and Thank-Offering) "Southern Mountain Missions." It seems needless to go into detail relative to this, since all have heard the subject presented as to its every phase. 72,000 members of the United Society are to raise $60,000.00 ($12.00 for each 10 members, or 83 1-3 cents per capita). Konnarock School in Virginia is to receive $35,000.00 and Church building in Watauga is to get $15,000.00; the additional $10,000 is to be applied where needed. As a Synodical we should raise in the neighborhood of $2,500.00 while in reality we have as yet contributed only $1,769.33, leaving a deficit of $731.00. Much of this work is in our own good state,

and then Konnarock is ours also, for it is just over the line in Virginia, and of the 27 children in the school 18 come from our Synod. I am very happy to report the dedication of the buildings at Konnarock on the 16th—the 3rd Sunday—of last month, formal opening having taken place in December, 1925. Also, I am glad to say that $3,000.00 for the church at Blowing Rock has been paid into the treasury of the Home Board. These facts being true and with the hope of the $12,000.00 for Boone as needed, then not one of us is willing that N C. Synodical should be reported as short of her quota for Mountain Missions at the Biennial in Rockford, September 25th to 30th. A chart in the Sunday School room, prepared by the Secretary of Mountain Work, shows which societies have met their quota and which are in arrears. In studying the poster we are going to determine that each society shall measure up and meet its obligations. The July Home Mission Offering must not be used for Southern Mountain Work, for that the Synodical applies to its own particular work, and we hope that this year again it will go to our "special," St. Andrews in the mountains—not in Watauga County, but in Cherokee.

Other Work of the United Society

The United Society's special for the Biennium 1926-1928 will be some phase of work in our newly-acquired Mission in China. It is already determined that all moneys required for Women's Work of the Mission shall be assumed by Women's Societies of the U. L. C. A. It is to the honor and credit of the Executive Board of the United Society that $1,000 has been voted to Andhra Christian College in India, making our President, Mrs. Sidney R. Kepner, a patroness. Dr. Strock especially appeals to the Women's Societies and to the congregations themselves, to donate scholarships ($500.00) to Andhra College, honoring some living or memorializing some sainted worker; or to make patrons and patronesses ($1,000) of some whom we wish to honor.

The Christmas offering (1925) was for Virginia Boyer Memorial at Kodaikanal, India. Our Society contributed commendably toward this appealing and most worthy cause—having given $580.09. The Christmas special for 1926 will be for some special object in the China Mission, the same to apply on the United Society's Budget for China.

Biennial

The Biennial Convention of the 34 societies comprising the United Society will hold its fifth meeting in Rockford, Ill., September 25th to 30th. Our Society's quota (7) of delegates

was elected last June. If the constitution as revised is adopted this delegation will effect its own organization, probably during this Convention meeting.

It is generally known that this (1926) year is designated Young Women's Year. It is earnestly hoped that some young women of our Synod may find it possible to go to Rockford for the Young Women's Congress on Saturday, September 25th, and Sunday 26th and to remain for the entire Convention. All who attend are promised entertainment on the Harvard plan and will have advantage of reduced fare on the certificate plan. I am glad to say that several of our younger women are amongst our principal delegates. There will be a great deal said of this Congress for Young Women during this Convention.

Departments of our Work

There are a number of different Departments through which our work is carried on—all of which are important and essential and all of which are presided over by conscientious secretaries who have faithfully served you this year. The work will expand and develop only as interest in the several lines through which we operate increases. While the Synodical Secretaries have an important place to fill, yet it is the congregational or local society secretaries who are in position to get close to the individual and arouse cooperative response.

Church Papers

(a) A campaign for Lutheran Woman's Work was put on during the biennium 1922-1924. As a result we gained a great number of new subscriptions, exceeding our quota as a Synodical and getting our whole, good spoke in the Magazine Wheel. Last year saw a falling off in the subscription list but this year finds the list increased to 1,888. This is very encouraging. Our magazine is our source of information on our own specific lines of work and it is our guide for carrying on our work in an orderly and correlated way; hence it should be accessible to every member of each society. It should be very popular in our meetings and each president should have a standing committee whose business it is to look after renewals and to get new subscriptions for the paper throughout the year. Lutheran Woman's Work is a periodical that should be found in each and every home of our Synodical. Our magazine secretary has some very significant posters which the delegates should study.

(b) The Lutheran, the official organ of information of the U. L. C. does not have the circulation it should in the homes of our Synod; neither is Lutheran Boys and Girls, the official paper

of our Sunday Schools, largely enough read. The Foreign Missionary, indispensable for news of the foreign field, should have a large circulation in our territory. As Missionary women we should use our influence to popularize the reading matter of these papers. We should attract attention to them by frequent reference to their contents, as we come into contact with our friends, creating in them the desire to get the information first-hand.

(c) The Hebrew Lutheran is the paper which brings to us news of our Hebrew Missions. Since our Synod was the very first of all the U. L. C. Synods to grant the request of the Jewish Missionary Board of Baltimore, to designate the 18th Sunday after Trinity (October 3) as the day for presenting the cause of Jewish Missions to our congregations and for the taking of a special offering for the same, it is most reasonable that our people have the opportunity of informing themselves on Jewish Work in the U. L. C. before October 3rd In order to get this information into the hands of our people, this magazine on Jewish Work should be put into their hands. Is there any phase or department of Mission Work that should appeal more strongly to us than the effort to reclaim Israel? Israel, God's own chosen, through whom He sent His Son and whom He loves as does a parent a wayward child?

(d) The North Carolina Lutheran! How we love its appearing! How we look for its arrival! It is truly a welcome guest in our homes, and should be in every one of them. The Women's Page is proving invaluable to us in our work. To the editor, Rev. A. R. Beck, D.D., is due the gratitude of every heart of our Synodical, for his kindly interest and his ready response and cooperation in serving our need. Let us talk North Carolina Lutheran wherever we go. The entire Church of our Synod with her auxiliaries, is wonderfully served by the North Carolina Lutheran.

Correspondence and Official Visits

In addition to the Executive Committee meetings which were held and for which we endeavored to plan, many letters have been sent out to individuals relative to the work. Four circular letters were written to the local societies; one last June on July Home Mission offering; one in November calling attention to various items; another in April, regarding Mrs. Bell's visitation; the fourth last month, reminding the Presidents of matters pertaining to this Convention meeting. Four societies were visited in response to special requests for talks on Anniversary and public thank-offering occasions Two special visits were made to St. Martin's, Stanley, in an attempt to organize a society there.

Our Guests

We are most highly honored and greatly favored in having with us this year the following persons of distinction:

Dr. and Mrs. McCauley, Missionaries on furlough from India, where they jointly have given 52 years of service.

Mrs. E. C. Cronk, Light Brigade Superintendent of the United Society, Philadelphia, Pa.

Mrs. H. C. Bell, Field Secretary of the United Society, Pittsburgh, Pa.; Miss Amelia D. Kemp, Executive Secretary of the United Society, Pittsburgh, Pa. (Illness prevented Miss Kemp's attendance.)

These guests will be presented at the close of this report in order that all may have the privilege of knowing them at the very beginning of our meeting.

Theme

The general theme which it is planned shall permeate the devotional and inspirational periods of this Convention—yes, and the business periods most of all—is expressed in the words of one who sought Jesus and asked: "Lord what wilt thou have me to do?" The presupposition naturally is, that the inquirer had surrendered his body "a living sacrifice" in His service.

For this great business of our Father's this big life's business of soul-saving, each of us having presented her body "a living sacrifice," would earnestly inquire, "Lord what wilt thou have me to do?"

That there is a work for each we truly know, and none other can do that work save the one whom He has appointed. The Holy Spirit has been sent to show the way and to lead therein, and to supply strength for each and every duty. Ours it is to make the inquiry, to accept the answer, to take hold and to do the work. Let not indifference, neither timidity, hold back, but let each step to the front and ask: "Lord what wilt thou have me to do?"

"Move to the fore. Say not another is fitter than thou,
Shame to thy shrinking, up, face thy task now,
Own thyself equal to all a soul may,
Cease thy evading, God needs thee today. Move to the fore.

"Move to the fore. God himself waits and must wait, till thou come;
Men are God's prophets the ages lie dumb,
Halts the Christ-Kingdom with conquest so near,
Thou art the cause then, thou soul in the rear,
Move to the fore."

Praying for Divine Guidance in all that we do, the following recommendations are presented for your consideration:

1. (a) That each Woman's Missionary Society of the Synodical use the utmost effort to enlist all the members of the congregation in the work of the auxiliaries.

(b) That each President of a Woman's Missionary Society appoint her entire active membership a committee to interest and win others; and that she ask each to endeavor to bring at least one person into auxiliary activity and to keep in close touch with that one throughout the year.

2. (a) That the three Conference Presidents, the Light Brigade Superintendent and the Vice-President of the Synodical, as Chairman, be named a standing committee on extension work.

(b) That the Committee stand ready to assist any congregations requesting help in organizing Women's Societies and Light Brigades.

(c) That this committee not only respond if applied to for help, but that it plan to do real aggressive extension work in the unorganized congregations.

(d) That this committee make investigation before any society's name is dropped from the roll.

3. That this Convention assembled accord to Mrs. Bell a rising vote of thanks for her services as Field Secretary amongst us and also that it instruct the Recording Secretary to write a note to the Executive Board of the General Society expressive of appreciation for its having made such a service possible.

4. (a) That the Conference work in its simplicity be continued and that each elect a President, Vice-President, Secretary and Treasurer.

(b) That department secretaries be appointed by the President of Conference in the event that the Synodical Department Secretaries request their appointment.

5. That each Woman's Society and Light Brigade endeavor to send a representative to the Summer School for Church Workers at Hickory, August 3-12.

6. That since we have not met our quota for Southern Mountain Work, we do endeavor to raise before the Biennial Convention, $731.00 deficit, urging the societies which have made no contribution, to do so if possible; further plan for raising deficit to be left to the Executive Committee.

7. That each Society President appoint some member or members of her society to solicit subscriptions through the congregation, to the Hebrew Lutheran, in order that our people may inform themselves as to our Jewish Mission Work.

8. That each President of a Society keep a wide-awake Committee looking after subscriptions and renewals to Lutheran Woman's Work the whole year 'round, and that this Committee use its endeavor to get a large Readers' Roll for its Society.

9. (a) That each Society President see that a copy of the Minutes of this Convention be put into the hands of each of her members, with the request that it be read in detail.

(b) That a part of the regular program time in July or August be devoted to the study of these minutes.

10. (a) That this Convention set a definite time for its Annual Meeting.

(b) That since dissatisfaction relative to meeting in June comes from various sources, some other month than June be set.

(c) That the Convention cast votes for July, August or November—the month receiving the majority of votes being chosen.

11. That all reports to be printed in minutes, be presented in type-written form and that all motions to be acted upon be in writing.

12. That since our former Historian and co-worker, Mrs. J. A. Linn, is soon to reach America, our Secretary be instructed to send the Convention's greetings to her home to await her arrival.

13. That a special prayer be offered for Dr. Kugler during the Convention meeting and a message expressive of the Convention's interest be wired her by the Chairman of the Resolutions Committee.

Recommendations as to the disposition of funds which will be offered during the coming year, will be presented from the Executive Committee.

In grateful acknowledgment of the devotion and faithful cooperation of all my co-workers, is this report respectfully submitted.

MRS. J. L. MORGAN, President.

REPORT OF COMMITTEE ON PRESIDENT'S REPORT

Your committee after a careful study of the President's report submits the following:

The President's report offers us a wide scope of information, concerning every phase of missionary activity, within our Synod. It is a careful, painstaking presentation of facts and figures. Her vigilance over every department, and untiring response to so many calls during the past synodical year, are commendable.

A gradual growth of interest, an appreciation of the various efforts for the extension of the work in our state, are gratifying impressions.

But an increase in membership of only 70 in the Women's societies and 188 in the Light Brigades shows that we are still far from the goal of "every woman and child in the congregation a member of the Women's Missionary Society or Light Brigade."

We indorse the work of the Field Secretary, Mrs. H. C. Bell, in the Western Conference and hope the other two Conferences may be privileged to have her in the near future.

We further commend to you our President's call "to put our hands to the oars" that the church at Andrew's may be launched this year.

The committee recommends to the societies a hearty support of our church papers as stressed in the President's report.

On the recommendations we report as follows:

Item 1. (a) We recommend its adoption.

(b) We recommend this be changed to read thus: That the president of each congregational society appoint a membership committee to interest and win others; and that this committee urge each member of the society, or circle, to bring at least one person into auxiliary activity and to keep in close touch with that one throughout the year.

J. W. HENDRIX,
Certified Bonded Accountant.

Concord, North Carolina.

Another year of Light Brigade work in North Carolina has closed. As your new Treasurer, I have gained some very definite impressions during the year.

1. We have a wonderfully strong working force in our Lutheran children in North Carolina.

2. They are active and wide-awake—eager to do things for the less fortunate children of the world.

3. They are, without exception, doing great things in their Missionary work wherever they have capable, interested leaders and where the Women's Missionary Society and the Pastor are taking the interest they should take in Light Brigade work.

4. While we have 111 Light Brigades, we have very few which have yet even dreamed of their possibilities.

5. The key to the situation in our Light Brigade Work seems to be a keener realization on the part of our Women's Societies of their responsibility in providing capable interesting leaders for each Light Brigade, and then following up the Light Brigade work done in their own churches.

It would be interesting to know just how many of our missionary women ever attend Light Brigade meetings, or actually know what is really going on in their own home Light Brigades.

Is it not high time for us in North Carolina to awake to a realization of the fact that the Light Brigade work in our own territory is one of our biggest opportunities for extending the kingdom of our Lord, and one that is challenging us to give to it more of our attention, more of our time and work, and above all more of our prayers.

Respectfully submitted,

MRS. JNO. M. COOK,
Treasurer North Carolina Light Brigade.

REPORT OF COMMITTEE ON TREASURERS' REPORTS

We, your Committee on the report of the Treasurer of the Women's Missionary Society and for the Treasurer of the Light Brigade for the year 1925-26 take pleasure in stating that we have fully examined the records and find them correct.

The receipts for the entire year of the Women's Missionary Society, Mrs. Fred Shepherd, Treasurer, $18,565.57. Balance from the year 1925, $722.44, making a total of $19,288.01.

Disbursements for the year ending April 30th, 1926, $18,749.82. Balance in bank April 30th, 1926, $538.19.

The total receipts of the Light Brigade, Mrs. Jno. M Cook, Treasurer, $2,906.43. Disbursements to Mrs. Fred Shepherd, Synodical Treasurer, $2,906.43.

The treasurers are heartily commended for the splendid manner in which all the records and details of the work were kept.

As suggested by Mrs. Cook in her report much valued strength can be added to the interest and growth of our work as a whole if the members of the Women's Missionary organization will endeavor to give more interest and support to the work of the Light Brigade.

Therefore, we your committee ask that the delegates carry this suggestion home to their societies.

Respectfully submitted,

MRS. F. A. BISSENGER,
MRS. MARY PEELER,
MRS. E. E. RANDOLPH.

The Statistical Secretary read her report. This was received and adopted.

REPORT OF THE EXECUTIVE COMMITTEE

Five meetings of the Executive Committee have been held during the year: June 12, in Charlotte; August 22, in Hickory; January 23 and March 26, in Salisbury; June 8, in Burlington. We now present the actions of this committee for your information and disposition:

Appointments

1. Mrs. G. W. McClanahan as Literature Secretary.

2. Mrs. J. A. Moretz as Thank-Offering Secretary.

3. Mrs. E. F. K. Roof as advisory member to Luther League Executive Committee meetings.

4. Mrs. E. A. Shenk as representative on Summer School Committee.

5. Mrs. T. L. Harrison as Young Women's Secretary for 1926.

6. Mrs. G. H. C. Park as synodical chairman of the fund for mountain mission work. Upon the removal of Mrs. Park to another state, Mrs. H. B. Schaeffer was appointed.

7. Mrs. J. L. Morgan, Mrs. J. F. Crigler, and Mrs. F. R. Shepherd as a sub-committee to act on matters needing immediate attention which might arise between meetings of the Executive Committee.

8. Mrs. L. A. Thomas as president of the Southern Conference. Upon the resignation of Mrs. Thomas, due to her being out of the state at the time for holding the conference, Mrs. Hubert Patterson was appointed.

Actions

1. At the request of the Student and Deaconess Secretary, it was decided that one session of the Convention should be given to the young women of the Women's Missionary Society.

2. Mrs. Victor McCauley was invited to attend the Blue Ridge Conference in 1926 as the guest of the North Carolina Society,

Dr. McCauley to be included in this invitation provided no other plans for him to attend will have been made.

3. The following resolution, which was granted by the General board was passed: That the Executive Committee petition the General Board to allow the North Carolina Synodical Society to place a tablet in the chapel to be erected at Blowing Rock, N. C., stating that the chapel is erected as a memorial to Miss Constance Cline. If this request be granted, North Carolina will assume $2,500 as her quota for mountain mission work.

4. The Executive Committee decided that as a substitute for the Bulletin, a reprint of last year's bulletin with such changes as may be necessary, be printed in the North Carolina Lutheran. Mrs. C. O. Lippard, Miss Laura Efird, and Mrs. Hubert Patterson were appointed to do this.

5. The following is offered as a standing resolution: All Women's Societies and Light Brigades which have sent in no funds for two years shall be dropped from the rolls after investigation has been made by the president of the Conference in which society is located.

6. Realizing the impending shortage in our quota for Mountain Missions, we urge that at the close of the July, 1926, quarter, the treasurer immediately notify the Mountain Mission Secretary who will confer at once with societies who will have sent in no funds for this purpose.

7. A letter was read from President H. B. Schaeffer asking for the indorsement of the Women's Missionary Society of the "Pay-up" Campaign for Lenoir-Rhyne College. We place this in the hands of the Committee on Letters and Petitions with the recommendation that it be read on the floor of the Convention.

Mrs. Jno. M. Cook proposed the following amendment which was tabled until the next Convention: Article II, section 5: Insert "of the United Lutheran Church in America" after the words "Women's Missionary Society."

The report of the Mission Study Secretary was received.

MISSION STUDY REPORT

Our real missionaries are recruited through prayer, and we may add the real missionary spirit is given by prayer and prayer only. In these days of stress and anxiety we limit God's giving by our lack of faith in asking. William Carey's watchword should be ours: "Expect great things from God; attempt great things for God." It is but sixty-five years since the first Woman's Board of Foreign Missions was organized, and as we contemplate its marvelous achievements, we are moved to say; "What hath God wrought?" And what He has done He can do again. While the gain this year in mission study classes is not as large as the gain last year in members, I feel that there is a steady growth in interest and that a deeper spirituality is abroad. Greater tasks that wait the church of today can be met and won by the realization that the church has learned how to pray.

The sooner we realize that the Mission cause is too great for human strength, that it is supernatural, the sooner we shall know that we conquer through Christ. When we learn to cooperate with Him in prayer the world will be loosed from sin, and salvation will come to the millions who sit in darkness.

This is the third year I have had the privilege of serving in the capacity of Mission Study Secretary.

In 1924, 108 classes reported.

In 1925, 144 classes reported.

In 1926, 150 classes reported.

And the number of members in classes this year 1,527.

I feel that North Carolina will again head the list of Gold Star Societies at the Biennial in Rockford, Ill., 1926, as it did in Salisbury, N. C., 1924.

Mission study was stressed at the three conference meetings, through the North Carolina Lutheran, and personal letters from conference secretaries and Synodical Secretary.

In closing may I quote from Prayer and Missions:

"He is able to do all that we ask;
He is able to do more than we ask;
He is able to do much more than we ask;
He is abundantly able to do much more than all we ask;
He is abundantly able to do much more than all we ask or think according to the power that works in us."

Respectfully submitted,
MRS. HUBERT PATTERSON,
North Carolina Mission Study Secretary.

The report of the Life Membership and In Memoriam Secretary was received.

REPORT OF LIFE MEMBERSHIP AND IN MEMORIAM SECRETARY

The report of the Thank-Offering Secretary was received.

REPORT OF THANK-OFFERING SECRETARY

Madame President and Members of the Convention:

As we gather here in Burlington for our 1926 Missionary Convention, we lay another milestone by the roadside of our missionary highway. May this milestone be marked with words of praise and thankfulness for success. May these words be

so deeply impressed upon our minds that they may ever steer us onward to a greater goal for the future.

As Thank-Offering Secretary, I have the pleasure to report that of 109 societies, 100 have sent in Thank-Offering contributions to our treasurer.

The Thank-Offering of our North Carolina Synodical Society for the past twelve months has amounted to $4,339.33, denoting an increase of $472.70 over last year's offerings. Of this amount, the Women's Missionary Societies gave $3,461.27 and the Light Brigades gave $878.06. Only one society reported an average of $3.65 per member for the year. St. Stephen's, Lenoir, with 14 active members reported a Thank-Offering of $51.10.

The Thank-Offering goal is not and cannot be expressed in cold dollars and cents, but we feel that using the minimum of a penny a day as a basis from which to compute our offering in "grace and gratitude expressed" will encourage us all to make our daily offering with our daily prayers.

Our appreciation of our Father's blessings, so new every day and so continual, cannot be expressed, but we feel that having a goal stimulates an effort, and an effort stimulates growth in "Grace and Gratitude."

In my letters sent out last fall to all societies of our Synod was enclosed a letter from our General Thank-Offering Secretary, Mrs. Gardner. In her letter she explained eight "efficiency points" to be used as a guide for making out reports sent to me after the November Thank-Offering. No report blanks were enclosed as had been customary heretofore. Only a small number of our societies responded with the information that the points suggested. Literature was also enclosed in these letters. I requested that each society have a public Thank-Offering program in November and where possible to use the pageant, "A Gift of Dreams." A number of responses proved that the pageant was used and was popular.

For several years we have been advising a public Thank-Offering meeting, and with many it has now become a custom. We hope that those who have not before held a public meeting will begin with this year's Thanksgiving season. We feel that with the program material which we have, every society should be able to hold a successful public meeting. Such a meeting not only increases interest in the Thank-Offering, but also in all phases of our work.

Two articles were contributed to the North Carolina Lutheran, giving information concerning the Thank-Offering of the Missionary Societies and the Light Brigades.

With God's wonderful goodness displayed on every side, we have just cause to be thankful. What a wonderful opportunity of expression is ours through our Thank-Offering contributions! May He add His blessings to all our missionary efforts.

Respectfully submitted,

MRS. J. A. MORETZ,
Thank-Offering Secretary.

The report of the Literature Secretary was received.

REPORT OF THE LITERATURE SECRETARY

Your present Secretary's first work was to have charge of our literature at our summer school for church workers at Hickory in August. The sales at this time were very gratifying, due in large part to the help of Mrs. D. Burt Smith, of Philadelphia. I wish at this time to publicly express my appreciation of her generous and untiring help.

In the October, North Carolina Lutheran the Bulletin, heretofore printed and mailed to the congregational societies, was printed and four copies mailed to each president, one to be given by her to each officer. This is a very much cheaper way to get the Bulletin to our women. We hope you delegates will be given an opportunity to say whether this is a satisfactory way or not.

The first of December, the Literature Secretaries of the Eastern and Western Conferences and the President of the Southern Conference made up and sent packets of literature to the presidents in their respective conferences—this literature was on the Virginia Boyer Memorial Christmas Offering for the Kodaikanal School, in India. In December program packets were sent to each president and to each Light Brigade Superintendent.

In March the Week of Prayer program packets were sent from Literature Headquarters to each President. The program packets for the last six months of 1926 for both the Women's Societies and the Light Brigades have been ordered.

A letter urging our women to use our splendid Literature more freely was sent through a marked copy of the North Carolina Lutheran to the President of each society. In the March, N. C. Lutheran a letter explaining the Extension, or Home, Department work, we hope, was read by the members of the local societies.

The report of the Annuity Secretary was received.

REPORT OF THE ANNUITY BOND SECRETARY

Annuity Bonds! For two years we have dreamed dreams and seen visions of what Annuity work may mean to North Carolina Lutherans. From the Dismal Swamp to Mt. Mitchell, all over the state, annuity work is rapidly becoming understood by all. As soon as the consecrated possessor of money fully understands the immense value and benefits of the Annuity work there will be a different report from that which I give this afternoon.

For the year 1925-26 two annuity bonds of $100 each were secured. Macedonia, this congregation, has the honor of receiving the first bond of the year. This bond was taken by Mrs. Richard Seymour, Burlington, North Carolina. The other bond is accredited to the Grace Missionary Society, Liberty, N. C. Mrs. Beulah Gilliam is our second Eastern Conference annuitant for the year.

There is a blank space for the other two conferences, the Western and Southern. What is hindering the work in these two Conferences, I have not been able to ascertain. If you good women are not able to bring us encouragement by reporting annuity bonds, please spur us on with some constructive criticism. Tell us what is needed. Show us our short-comings.

Your synodical and conference secretaries stand ready, eager to help.

In the packet given you there is material describing annuity bonds. Let your prayers and efforts bring to the front in our synodical society that which is being greatly neglected, Annuity Bonds.

"Seek ye first the Kingdom of God"—through the channel of the Annuity work. Your gold will never deteriorate into dross if you invest it in bonds.

Respectfully submitted,
CLARA SULLIVAN,
Secretary.

The Secretary read the report of the Box-Work Secretary.

REPORT OF BOX WORK SECRETARY

Madam President and Co-workers:

Again we are permitted to meet and discuss our Missionary activities and with pleasure weigh the advances, but with regret weigh the weaknesses we may show. It is my pleasure to tell you that Box Work has advanced numerically; but still so many of us didn't join the ranks this year.

Of our 109 Women's Societies, only 29 reported on Box Work, leaving 80 Societies with no representation on this line of work. Of our 105 Light Brigades, only 22 reported. Surely more of our Societies have done work in this department, which has not been reported but which should be designated as Box Work! Perhaps your failure to work or to report your work, has been the fault of your humble Secretary in failing to interest you along this line of Missionary endeavor. Nevertheless, you have received these calls as early as I, through your Women's Work and the North Carolina Lutheran. One special request for help, from Mrs. Finefrock, I sent direct to you.

The estimated value of Box Work by the Women's Societies for the past year is $1,422.48, showing an increase of $332.98 over last year. $334.19 is the value placed upon the Light Brigade Box Work for the year.

Respectfully submitted,

MRS. M. F. P. TROUTMAN,
Secretary of Box Work.

Your India Lace Industry Secretary has written to the president of each society listed in the Convention minutes for 1925 bringing this cause to the hearts of the people.

As opportunity was given she presented the cause to the members of the societies through the columns of the North Carolina Lutheran, not only asking for their support in purchasing the lace but also for their prayers.

I wish to thank all who have responded to the appeal with requests for consignments, and also those who have written even though it was not advisable to ask for consignments. I am very glad to bring to you today a message from the makers of the lace—"Often times we have gone hungry, and our homes were very sad, but the missionary told us that a Christian's always glad. That no matter what his trials, there's a Father who will hear. He is always glad to comfort, you can ask Him without fear. Now we too, have tried to follow in the path where He hath led, and you've helped us in our efforts to make laces and be fed. So we thank you very kindly for the happiness you've shared, and when laces you are buying, think of all the lives you've spared."

MRS. D. C. MAUNEY,
India Lace Industry Secretary.

The report of Mrs. E. A. Shenk, member of the Summer School Committee, was heard.

The report of the magazine secretary was accompanied by a playlet, "The Sorrowful Stencils."

IN MEMORIAM

CONSTANCE A. CLINE

BORN NOVEMBER 1, 1879
DECEASED JANUARY 18, 1926

CONSTANCE A. CLINE served the Women's Missionary Society faithfully and well as President, Vice-President, Recording Secretary, General Secretary and Treasurer of Young People's Work, Mission Study Secretary, Life Membership Secretary and on Organizing Committee, Ways and Means Committee for Merging the North Carolina Synod and Tennessee Synod Societies, and on various other committees of responsibility and leadership.

She proved herself worthy of every trust reposed in her, and gave to her Church and its auxilliaries loyally and generously of that endowment of heart and mind that made for her prominence as a teacher of superior excellence and success.

We would check the unbidden tear prompted by hearts burdened with loss and empty sadness, and dwell upon the sweeter memories of association and accomplishment; realizing the ties that bind us together have not been severed, but that only our relations are changed—once here with us, longing for Christ; now there with Christ, longing for us and the coming of the redeemed.

Connie's life of devotion to duty, service to God and fellowman, is commended as an inspiration and example worthy of emulation.

CONSTANCE

O'er life's brief span the veil is drawn,
In loving memory friends bring offerings rare and sweet,
Glimpse visions of a glorious dawn
They yet may see, as tenderly
The grave they close, for calm repose.

In faithful toil with ardent zeal
The might, the power, the love of justice, right and truth
Youths' pliant minds she made to feel;
And so to live, and so to give,
That others know, and larger grow.

In patient service, loving, true,
So mild, so gentle, serving much and serving well,
Her cheerful presence many knew
And felt the touch that meant so much
To lift the sad—to make life glad.

In bliss eternal now to dwell
Effulgent, radiant, in the glow of realms divine,
Where angels Alleluias swell
And praises sing to Christ the King
Who reigns above—the God of Love.

—MATTIE MILLER.

REPORT OF HISTORIAN

In our Missionary work, as in everything else, we are making history every day. When we come to the end of the year and look back we can only find a record of faithful or unfaithful use of the many opportunities that have been ours during that time.

The reports of our officers show that our Heavenly Father has abundantly blessed every effort that has been put forth for the advancement of His kingdom—that in some respects we have made commendable advance while in others we have not measured up to our opportunities.

During the year many hearts have been saddened for the reaper, death, has invaded our ranks and many of our most earnest and faithful workers have fallen. We trust that all names of deceased members have been reported that they may appear on the In Memoriam page.

We record with great sorrow the passing of Miss Constance Cline, who had for many years—just as long as her health would permit—served this Society so faithfully and efficiently. I recommend that a page of the minutes of this Convention be set apart to her memory and that on this page shall be recorded the many offices which she has held in this Society together with an appropriate tribute to her memory.

Let us thank God for what has been accomplished in the past, and enter upon the work of the coming year with renewed zeal and consecration.

Respectfully submitted,

ELLA BELLE SHIREY,
Historian.

REPORT OF COMMITTEE ON CONGREGATIONAL REPORTS

We note with interest the increase in the number of societies making congregational reports at this Convention.

The reading of these reports has brought valuable suggestions to your committee, which we want to pass on to you.

We notice an increase in societies which are working in circles or groups. We feel that this plan would work admirably in our scattered rural societies.

The all-day Mission study class is becoming popular. We hope that this will be a suggestion to our rural churches. We believe that this will be an answer to our frequent question: "Can a rural society have a mission study class?"

We were delighted to learn that the suggestions for adopting prayer-partners, which was made in Lutheran Woman's Work a few months ago, have been followed by a number of our societies.

Macedonia, our beloved hostess, should be commended for her systematic box-work. A special object for box-work is selected for each quarter.

We were impressed with the increased interests in our Light Brigade. The Bible picture scrap books for the aged people of the mountains, made by Grace, Boone might be an example of definite Light Brigade work.

With this most encouraging outlook, may we not expect greater devotion and activity the coming year?

REPORT OF SUPERINTENDENT OF LIGHT BRIGADES

Through another synodical year, we have been permitted to pass and as we review the work done we all wish it could have been better, but, we must remember it takes time to accomplish things.

Seven new Light Brigades have been organized this year, Grace, Lincolnton, R. F. D., Grace, Bessemer City, St. Mark's, Rowan, St. Paul's, Durham, Trinity, Vale, Sardis and Cedar Grove. It was my privilege to be present when five of these were organized and I feel sure with this added strength we will be able to accomplish much more in the future.

We now have 111 Light Brigades.

It was with much joy we received the word from Mrs. Cronk, our beloved General Superintendent, saying that North Carolina was the first in the U. L. C. to have as many Light Brigades as Women's Societies. This is something to be proud of, but not satisfied with. Not until every congregation has a Light Brigade and every Light Brigade functioning, is our work complete.

In going over my reports I find eight have reached the twelve points of efficiency; nine, eleven points; eleven, ten points. This shows a loss over last year of three in the twelve points and a gain of four for eleven points.

Several have over one hundred members. St. James', Newton, St. Paul's, Rowan and Faith have over a hundred.

I have written each Superintendent at least four letters, had five letters in North Carolina Lutheran. Have sent out 24 organization packets, besides a number of cards.

Women of Missionary Societies remember the Light Brigade is looking to you for guidance. See that they have a leader. They are your children. Treat them as such. "A child is your second chance."

Respectfully submitted,

JULIA R. HALL,
Superintendent.

PRESIDENT'S REPORT

Dear Members of the Women's Missionary Society of the United Evangelical Lutheran Synod of North Carolina, Friends:

Again in the kind province of our dear Father—the father of our Elder Brother, Christ Jesus, in whose name we are working and for whose Kingdom we labor, again we slack sail and rest in port, another year of our Missionary journey ended. We disembark to take a retrospect of the forty-second stretch of our voyage; to study our present bearings; to plan for the future with its prospects. This part of our journey has not been unattended by cares and toils, discouragements and losses; yet it has, too, been replete with joy and satisfaction—with blessings innumerable. Most faithfully have officers and crew discharged

duties which fell to each in her respective line. My prerogative it is not to report of their work for to each will be given the opportunity to speak of her effort and accomplishment. Suffice it to say, that it is my pleasure to testify to the hearty interest and loyal cooperation of those whom you chose to be my supporters in this Missionary enterprise. To your sympathy and prayers I commend each one.

That we are privileged to cast anchor and abide for a time in this seaside city, gives us great joy. In this brief retrospect we wish to say that at the very first Synodical Convention in Concord in 1886, there was present the Mrs. F. W. E. Peschau of this St. Pauls society and she made an address on "Our Strength and Our Success" in which she most clearly told of the marvelous accomplishments of that one year's activity. During that meeting there was also an address by Mrs. W. H. James of Baltimore, and she related how the women in parts of the north had been formed into missionary societies for longer than eleven years, and how in 1879 they held their first Convention in Carthage, Ill. Our first president of this Synodical, Mrs. J. S. Fisher, then gave her report, which was splendid, telling of the growth in number of societies from six to fourteen and in membership from 160 to 325, with funds to the amount of $275.00 for that first year's effort. She made mention also that the Wilmington Society had sent a box to India by Rev. Mr. Swartz, value of contents being $60.00. It might be of interest to say further that the very first unit of our missionary society was organized right here in St. Paul's Church—Mengert Missionary Society was organized early in 1884, even before there was thought of forming Women's organizations. That Mengert Society was composed of men and women which in its beginning must have had the true ideal, namely, to interest and align all the congregation in doing mission work. Would that the plan might have been followed even until now and by all the churches! The distance traversed might have been more than doubled in the 42 years of our journeying. To the members of Mengert Society, to the members of St. Paul's and friends, we say that we are truly glad to meet here with you. It is indeed an honor to be with that society which was the pioneer in the great movement in the southern churches—with that society which sent out the first missionary box—I repeat, we are truly happy to be here in your midst; to cast anchor with you for a time.

But it is not my purpose to give an extended history of the growth of our work. I wish, however, to make reference to a previous landing in this port in 1915. In that year our Missionary ship came to harbor in this "City by the Sea" after the thirtieth year of her voyaging. The reports rendered at that time show the number of units to have been, Women's 52, Young Women's 35, Children's 42, giving a total of 129 organizations

with officers and crew numbering 65 and 22 visitors for that meeting, all representing a membership of 2,665. Mrs. R. L. Patterson who had been steering the Missionary Ship for three years made a touching preamble to her report by her reference to the "black cloud of war which had lowered over the face of the earth." The feeling which manifested itself was that we in America needed to feel the added weight of responsibility and rally to meet the needs of the hour. A call to prayer was made to the people of our church as they faced the seriousness of the time. Is there ever a time when the situation is not a serious one? Always it calls for that prayer-attitude, that feeling of utter dependence upon Him for our own welfare and for any success which we are hoping to accomplish. Always we need listen to His "Peace" which allays those threatening billows that would engulf, and which gives to us fresh hope and courage to press forward in the full assurance that ever, He being with us, we shall safely come to our journey's end. When we cast anchor with you in 1915 it was with some feeling of depression for there had been many discouragements on that stretch of our way. But interest had not waned though the funds contributed that year were somewhat less than for the four preceding years. From the 129 societies of that year the offering was $4,470. During the thirty years preceding 1915 the total amount given had been $79,889, an average of $2,667, annually; during the 12 years since that meeting the contribution has been $123,696, an average of $10,308 annually. In our 42 years of organization we have offered to the church over $200,000 in money, and who can measure the offerings of love for the cause! In those 12 years many have dropped from our rolls, amongst them that one who was elected president at that meeting, Miss Constance Cline, that one who gave so much of her time and energy to the work of this society for a number of years. In the year just closed, death has again invaded our societies and a number of our co-workers have been taken away. We extend to all the bereft families our sincerest sympathy, commending them to the promises of our Father in Heaven. A page of our Minutes will record the names of those who have transferred from our Society's Roll to that "Roll up Yonder." Such a page will be found in each succeeding year's Minutes, and sometime your name and mine will be there. While we are privileged to labor, may we do it more earnestly, more carefully, more prayerfully. We are deeply grieved over the passing of one who belonged to the whole United Society, to the United Lutheran Church in America, in fact to our Church the world over, and to the World, we may say. She so often met with us, and attended our Convention in Burlington last year where she so touchingly conducted a service in memory of Miss Cline. We refer to Mrs. E. C. Cronk, our sainted co-worker and leader, our dear Light Brigade Superintendent.

They, with others, have passed to their reward, leaving in their train a world of influence for good.

Quite extended reference having been made to our past progress, for gaining full information as to the

Present Status

of our work, I refer you to the reports which shall be given and then to the Minutes of this Convention which will be printed and distributed amongst the members. The Minutes of our meetings must be referred to in order to learn just what has been accomplished; what is planned for future achievement.

The Executive Committee Meetings

Five of them which were held since our Convention in Burlington, will be reported upon by our Recording Secretary. In order to curtail expense of these meetings between Conventions, a plan was proposed by the Chairman of the Constitution Committee, which was printed in the April issue of North Carolina Lutheran. We hope you have seriously considered the change suggested and that you will express your desire when it is presented for action upon.

The Conferences

which are three in number and which cover the same territory, respectively as the conferences of Synod, were duly held and the presidents will tell us of the meetings. These conference meetings seem to be serving the purpose for which they were created, namely, to disseminate Convention information and to bring our women together binding them closer in the interest of a Great Cause.

The Summer School for Church Workers

will receive special mention during this Convention. Our efficient Chairman, Mrs. E. A. Shenk, will tell us of the plans and program later in the meeting. We hope that each women's society will consider it eminently worthwhile to send two of its members to that school this summer at Mt. Pleasant; one to take Light Brigade work under Miss Mary Propst, and one to take Mission Study under Mrs. T. C. Benze. The music, too, under the direction of Dr. Ohl and Mrs. Shenk, is an educational feature of the school which should appeal to our people.

Home Missions

is now receiving special emphasis (a) Our Synodical's "special," St. Andrews at Andrews, N. C., has now a regular pastor, Mr. W. H. Lefstead, of Alabama. Mr. Lefstead was ordained at the meeting of Synod in Salisbury and he is now on the field. His salary is paid by the Home Mission Board with a supplement by the con-

gregation. When Mr. Lefstead arrived at Andrews he found that stone was being placed on the lot for the building of the church. With the supervision and care of the pastor we hope soon to have a church at Andrews. Our Synodical Society, with the $1,500 contributed by the United Society, has given over $7,000 to that work. The congregation requests that we make the amount $8,000 and the Executive Committee has a recommendation relative to the matter. (b) Our Asheville organization sent a letter expressive of its appreciation of our interest in that work and telling of the need of an established place of worship. They ask that the Synodical Society here convened, make St. Marks, Asheville, its next "Synodical Special." A recommendation pertaining to this work will come from the Executive Committee and the letter will be read to the Convention.

The July Home Mission Offering

is growing in favor and importance. Our women begin to see the urgency and need of developing our work at the home base. We are wanting a liberal Home Mission Offering this year in order to finish our pledge for St. Andrews, and further aid Asheville.

The Finances

of our organization have been gaining from year to year. Barring 1924, the offering this past year exceeds any previous amount. The $18,611.35 for this year is not a very great increase over 1926 offering, yet it is an increase and we are so glad for it. Of this amount $3,079.72 came from the Light Brigades. We are looking anxiously to the time when we shall be able to report $20,000 and more annually.

The Numerical Growth

has not been what we would wish to see. We still are far short of our goal: "A society in each congregation with every woman and child a member." Seven (7) new societies have been organized and 6 Light Brigades since last June, but we still must press forward. It makes us sad to report sluggishness and inactivity in some of our organizations. It would cause us pain to drop the name of any society from our roll, but a few seem to be almost lifeless and we fear death is facing them, unless new vigor is put into them. I refer you to the Statistical Secretary's Report, also to the Light Brigade Superintendent's Report for further information.

The Light Brigade Work

is deserving of more attention of the women of the societies. Since bereft of the General Superintendent, let us feel the more keenly her expressions: "A Child is my Second Chance" and, "Call your Joshua." Do we realize just what those sayings mean? Be ready

to help the Light Brigade Superintendent and visit the meetings, adding all encouragment possible to the work. We are glad to report that the Executive Board of the United Society has called Mrs. C. K. Lippard as successor to Mrs. E. C. Cronk.

The Luther League Work

of our Synod is not under our supervision, or jurisdiction, yet it needs to be better known by our women. The women's societies need to grow more interested in the Luther League organizations and to draw closer to them. A bigger cooperative feeling should exist between the two organizations. A strong spirit of harmony prompted by love should bind all the organizations together for doing the best possible for the growth of the Kingdom of Christ on earth.

The United Society of the U. L. C. A.

is due our appreciation for the work it has accomplished in our Watauga County. (a) The church erected at Blowing Rock as a memorial to Miss Constance Cline, was dedicated on last Sunday, June 5th. It is a beautiful house of worship located there in "God's first Temples" on the picturesque mountain-side three miles south of the town of Blowing Rock. A bronze Memorial Tablet will be placed in the church, bearing the following inscription: "In loving memory of the faithful service of Constance Cline, this chapel is erected by the Women's Missionary Society of the United Lutheran Church in America." We ask that as many of you as can do so may go and see the place and feel profound thankfulness to the God who gave it. The United Society continues to support that work by supplying a regular pastor and a Parish Worker as well as an assistant pastor during the summer months. (b) The church at Boone has not yet been begun, but plans have been drawn and accepted by the committee. However, funds are not available to the amount necessary for the construction of a building so elaborate as that decided upon by the committee—they with the local members having decided upon a stone structure. It is hoped that matters will be adjusted and that work can be commenced on the building proper this summer. Both these churches are in the Watauga Mission and Pastor J. A. Yount has charge of this work.

Other Work of the United Society

needs be specially mentioned at this time. (a) In 1928 the United Society will celebrate its 10th anniversary. Please read about the plans of this celebration on page 250 of May L. W. W. We ask that each society procure a "Birthday Cake Offering Box" into which love gifts may be placed. This is the United Society's avenue for putting forth its special effort during the biennium 1926-1928. A secretary has been appointed, Mrs. G. W. McClana-

han, who will have charge of this movement and from whom will go out further information from time to time. (b) Another project which the United Society is planning to launch is the endowment of a Chair in Christian Education in honor of Mrs. Cronk, in the Women's College at Washington, the proposed and most-like, soon-to-materialize College for Women, at Washington, D. C. More will be heard of this proposition later on.

Field Secretary of the United Society

Mrs. H. C. Bell, spent six weeks on our territory last summer. We feel that we are reaping of her sowing in the organization of the seven new societies. Mrs. Bell is contemplating the completion of her visitation through our territory, beginning August 18th and ending the last of September. Mrs. Boozer, President of the Southern Conference, is arranging the schedule of visits, and we hope that the reception of Mrs. Bell during her itinerary, will be as cordial and pleasant as it was last summer by both pastors and people. We want much interest to develop in the wake of her rounds, that the Lord's work may grow.

The Biennial Convention

of the United Society was attended by your full delegation. Along with the delegation of seven, went one visitor, two young women, one parish worker, and one board member, making twelve from North Carolina. That was a wonderful meeting of which the secretary of the delegation, Miss Clara Sullivan, will render a report. Delegates to the 1928 meeting at Johnstown, Pa., will need be elected by this Convention, according to the Constitution governing our doings.

Foreign Missions

still claims the more vital interest of our women, if interest for one phase of our work can be "more vital" than another. Generally speaking, it always seems easier to get ready and more generous response for our work across the seas than for the work in the home land. This is but natural, for we can so easily present the crying bodily need along with the pathetic mental, moral and soul-need of peoples in heathen lands. In the treasurer's tabulated statement you will find the amounts given directly to foreign work. By other offerings we have contributed to foreign work through the United Society. Our Christmas Offering for the "Girl's School in China" amounted to over $730.00. We deplore the indifference which met the call for our payment of the instalment on our debt for the purchase of the China Mission, in April. This may not be mine to remark upon, yet the attitude by which the appeal was met by some of the Sunday Schools, was indeed disheartening.

The Eleven Departments

of our work presided over, each by an efficient Secretary, are well-organized and have been satisfactorily carried on throughout the year. Each Secretary should be commended as should also the capable Editor of Women's Page in N. C. Lutheran, for her excellent service to the society.

Our Church Papers

all need a wider circulation and a larger reading constituency. (a) Lutheran Woman's Work! What would we do without it! Do any of you remember its birth? How quickly it comes of age. Let us fall into the plan for the celebration of its 21st anniversary. Read the plan on page 240 of May issue of L. W. W. The aim is that each Synodical have a subscription list equal to its membership. Can we do it? Our membership is now 2,926 and our subscriptions are 1,719. Can they be made equal in number? We can try. But with the subscriptions we want a Readers' Roll as large. (b) Do we encourage our children to read Lutheran Boys and Girls? It is a splendid paper for Sunday afternoon reading. (c) The Lutheran is not so largely subscribed to and read as it should be. When a family with but one child to educate and too, in splendid circumstances financially, says, "We cannot keep up our subscription to the Lutheran," what is wrong? Why this coldness toward some of our best periodicals? Do we and do our pastors magnify the importance of the content of these papers? Is their reading matter popularized as it should be? (d) The Foreign Missionary is full of information on our foreign work. Especially is it needed to tell us of our new work in China. (e) The Hebrew Lutheran should be found in large numbers in all our congregations. We hope the observance of Jewish Sunday, October 16, 18th Sunday after Trinity, will be generally observed in all our churches this year. (f) The North Carolina Lutheran! Surely it should be a monthly visitor in each home of our Synodical—in each home in the Synod, in fact. Might not each Women's Society cooperate with the Brotherhood or the Church Council and they together plan for putting this Synod's paper into all the homes of the Synod? With the initiative taken by the local pastor this could be accomplished. Something must be done to make people realize its value to them along all lines of church activity in our Synod.

Correspondence with Official Visits

made this year have claimed a large part of time. In addition to the five Executive Committee meetings, it was my pleasure to attend the three conferences last June. Also I attended the Biennial at Rockford, Ill., the United Lutheran Church in Richmond, the United Lutheran Synod of North Carolina, at Salisbury

as your representative, and made fifteen visits to societies and congregations in an effort to carry a message. Quite a few subjects have been presented in the North Carolina Lutheran with a letter through that channel to the presidents; also two letters have gone to each society from my desk. Additional correspondence pertaining to the work has called for over 400 letters to individuals.

Our Guests

for this Convention are those whom we account it a privilege to have with us: Mrs. W. F. Morehead, Salem, Va., President of the Womens Society of the U. L. C. A.; Miss Amelia D. Kemp, Pittsburgh, Pa., Executive Secretary of the Women's Missionary Society of the U. L. C. A.; Miss Mary Borthwick, Rajahumdry, India, Missionary on furlough who has served the Lord in India for fifteen years. We ask the privilege of presenting these three distinguished guests to the Convention. We want each one to know them.

Our Theme

for this Convention is "Peace"—"Peace be still." Those first disciples looked out over the turbulent billows and were filled with fear calling upon Christ in their weakness and terror. We here take up the figure of our Missionary Journey and looking out over the harbor we see surging billows of disturbance on Humanity's sea and our hearts quake within us and we too, cry out in our despair, "Master, carest thou not that we perish?" To us too, comes that voice "Peace be still." We pause, we trust, we pray for that "peace which passeth all understanding." In His peace we pause, in His power we trust, in His presence we pray as we embark on the forty-third stretch of our voyage on our Missionary ship. In all parts of our task let us rest assured that He is with us though He might seem to be "asleep in the hinder part of the ship on a pillow," and that we need but call and He shall answer and bring us calmly again into port.

And now praying His guidance, His benediction of PEACE upon all that we do, all our undertakings, we present, the following recommendations for your consideration:

1. (a) That for continued growth we use every effort to interest and bring unto affiliation with our work, all the women and children of our churches.

(b) That we endeavor to extend our work until we have organizations in all the congregations of our Synod.

2. That each Society ask the advice and cooperation of the Church Council in trying to put the North Carolina Lutheran into all the homes of the respective congregations.

3. That the women of the Societies visit the Light Brigades and stand ready to assist the Light Brigade Superintendents, as assistance may be needed.

4. That all societies that can possibly do so send representatives: one for Mission Study and one for Light Brigade, to the Summer School for Church Workers.

5. That each local society study the Minutes of this Convention in connection with the program for August meeting

6. That a page in 1927 Minutes be set apart as a Memorial to our beloved General Light Brigade Superintendent, Mrs. E. C. Cronk—this page to be planned by a committee appointed by the president.

7. That in order to encourage religious writing amongst our young people, a contest in pageantry be put on—the pageant most deserving of merit to be presented at Summer School, 1928.

(b) That plans be worked out by a committee for this project.

8. That this Society send two young students, who are going to college, to the Summer School at Mt. Pleasant, to prepare to be leaders in their respective Colleges in Church work.

9. That the Executive Committee be instructed to place a copy of Lutheran Women's Work in the libraries of the following Institutions: U. N. C., N. C. C. W., Lenoir-Rhyne, Collegiate Institute, Mont Amœna.

Recommendations relative to the disposition of funds will be presented from the Executive Committee.

Respectfully submitted,

MRS. J. L. MORGAN.

REPORT OF COMMITTEE ON PRESIDENT'S REPORT

The committee on President's Report submits the following:

We pause to recognize and honor the excellent report of our President. It represents an expenditure of much time, energy and thought, and shows a vital interest in every phase of the work. We are amazed at the immensity of her accomplishments and at the patience and efficiency with which she carries on. We record our sincere appreciation of her vigilance over our work and of her ready response to the many calls for assistance during the year. Let us also assure her of more loyal and united support from the constituency over which she presides.

The facts and figures of her report give us a mixed feeling of joy and sadness. We do rejoice over the past achievements of the faithful women of our Synod and point with pride to the monuments of their love and devotion, of their prayers and sacrifices.

When we note the slow growth and slight progress of these recent years of open doors and marvelous opportunities, we are deeply conscious of negligence and insincerity.

We heartily commend the president's interest in Home Missions. The "home base" must be strengthened. This can best

be done by having a society in each congregation with every woman and child a member active and interested in missions.

On the recommendations we report as follows:

REPORT OF MISSION STUDY SECRETARY

In order to have a lively interest in any subject, we must be well informed on that subject. We must study its inception, its growth, the agencies that make for progress, and its ultimate aim. Today we face a situation that calls for earnest, prayerful, consecrated effort. It is this, people are reading as never before. Our country is flooded by literature of all kinds. Books are bought and read by the thousand. Here is our opportunity to bring to our church women something worth while. We must crowd out the undesirable by furnishing the best reading. Our church stands for education, and our mission study books should be read and studied in every congregation.

Our summer school for church workers convenes in Mt. Pleasant, July 6-15. May I urge that as many of our women as possible take advantage of this opportunity to become efficient leaders in mission study. Mrs. Benze of Philadelphia will conduct a normal course, teaching our women how to lead mission study classes. This seems to be our greatest need in mission study.

One hundred and twenty-three study classes and reading circles have been reported in our synodical this past year. We retain our place in the ranks as a Gold Star Society in mission study. We have the numbers, but we need to stress more efficient leaders.

United effort and united prayers will bring our work to its proper standard, and also bring a blessing to the individual members of our society.

Respectfully submitted,
MRS. HUBERT PATTERSON,
North Carolina Mission Study Secretary.

We hope to have a larger number on roll next year.

Respectfully submitted,

REPORT OF LITERATURE SECRETARY

Your secretary began work at the summer school held at Mount Pleasant last August. The people responded well to the sales. Mrs. Charles L. Fry, Literature Secretary of the W. M. S. of the U. L. C. A., wrote your secretary a letter of congratulation on the amount of sales.

Early in December the new program packets were sent to both Women's Missionary Societies and Light Brigades, and in February the Week of Prayer packets were sent to the Women's Missionary Societies.

An article concerning the Extension Department was put in the North Carolina Lutheran.

Through your secretary, a number of societies procured Mission Study books and extra packets and leaflets.

New packets will be sent to all societies immediately after correct convention lists have been received.

REPORT OF THANK OFFERING SECRETARY

Madam President, Friends:

Another year of our missionary work has ended, and we are called together to give accounts of the work that has been done during the year and to make our plans for greater developments in the future.

As Synodical Thank Offering Secretary, I have the pleasure to announce that out of the 111 missionary societies, 101 of them have sent in Thank Offering contributions to our general treasurer.

The offerings sent in by our missionary societies and reported are only the November thank offerings. These amounted to $3,446.25. The offering of the Light Brigade was $923.82. The two amounts make a total of $4,370.07; a slight increase over those of the previous year.

When all the societies fully understand that we have only one ingathering time in the year for our Thank Offering Department, they will make a more concentrated effort at this one Thank Offering season.

Only one society reported to us that our goal had been reached; this society being the same that reached the goal last year. St. Stephen's, Lenoir, reported a thank offering of $65.70 from 18 members. Five other societies came very near the goal, and with a little effort could have been listed on the honor roll.

Two articles were sent to the N. C. Lutheran calling attention to work of the Thank Offering Department. One hundred and eleven letters were sent out to the societies listed in our last minutes. In these letters were included public Thank Offering programs, leaflets of pageants—to be used if desired—suggestions for public Thank Offering meetings, and an encouragement to use the one special pageant, "Where Does It Go?" There was also sent a letter from our General Secretary, Mrs. C. E. Gardner, to all congregational secretaries.

By running up the reports from the blanks returned, I find that many more societies reported public Thank Offering meetings than last year, and many used the pageant which was recommended.

Respectfully submitted,

MRS. J. A. MORETZ,
Thank Offering Secretary.

Report of Annuity Secretary was received as information.

Report of Box Work Secretary was received as information.

Report of Student and Deaconess Secretary was received as information.

Report of the Historian was received and placed in the hands of the Committee on Letters and Petitions.

Report of the Extension Committee was received and recommendations considered.

REPORT OF THE EXTENSION COMMITTEE

We, your Extension Committee, beg to present the following report:

By action of the Executive Committee, your committee was authorized to send a letter to the pastors of those congregations having as yet no Woman's Missionary Society or Light Brigade, asking their cooperation and permission in the forming of such organizations. This was done, and answers received from four pastors.

The following new societies have been enrolled since the last Convention:

Western Conference

Woman's Societies:

Good Hope Pastorate, Good Hope.
Iredell Pastorate, Mt. Herman.
Iredell Pastorate, Mt. Sharon.
Claremont Pastorate, Mt. Calvary.
St. James' Pastorate, Ebenezer.
Watauga Pastorate.
St. Mark's Pastorate, Blowing Rock.

Light Brigades:

East Hickory, St. Stephens.
East Hickory, Mt. Olive.
Claremont, Mt. Calvary.

St. James', Ebenezer.

Eastern Conference

Woman's Societies:

Holly Grove Pastorate, Holly Grove.

Southern Conference

Light Brigades:

New Bethel Pastorate, Mt. Zion.

The helpful visitation of the congregations of the Western Conference by the Field Secretary of the General Society, Mrs. H. C. Bell, greatly aided the effecting of the organizations in those congregations.

Credit must also be given the personal, efficient work of the Light Brigade Superintendent, Mrs. J. R. Hall, for the organization of the Light Brigades.

The following recommendations are submitted:

1. That a careful itinerary be arranged for the General Field Secretary, Mrs. Bell, in the congregations of the Eastern and Southern conferences during August.

2. That the presidents of each Conference be authorized to visit or appoint some one to visit congregations in their Conference, having no organization of Woman's Societies or Light Brigade, or those in which new organizations have been effected, if desired. That in such case mileage shall be paid from Synodical Treasury.

Respectfully submitted,

MRS. J. F. CRIGLER,
MRS. V. Y. BOOZER,
MRS. P. E. MONROE,
MRS. H. V. MURRAY,
MRS. JULIA R. HALL.

Recommendations 1 and 2 adopted.

Report adopted as a whole.

LIGHT BRIGADE SESSION

Mrs. Julia R. Hall, Presiding.

REPORT OF LIGHT BRIGADE SUPERINTENDENT

Today I stand before you with the feeling of a great loss. Our General Superintendent has been called away, and we feel that we must each put forth added effort in order to carry on creditably. Her strong arm is withdrawn and from her failing hand to us she has thrown the torch. With the courage and energy that always characterized our Mrs. Cronk, we now set ourselves to the task of more perfectly training and serving the children of the Great Church of the Reformation.

A review of the Light Brigade work of the past year shows us that many Brigades have made marked improvement, while others seem to have fallen by the wayside. Last year I reported 111 Light Brigades. During the year five new ones have been organized, yet only 108 Brigades have made any report to me. Where are those eight inactive Brigades, and who is responsible for them? Let us arouse these to work.

The improvement made generally overbalances the laxity of those eight. Last year there were only eight that attained the 12 points of efficiency. While this year twelve have gained the efficiency standard. Then only nine had eleven points, now eleven have eleven points. Last year eleven had ten points, this year fourteen have ten points. Six Brigades have nine points.

It is especially gratifying to note that the rural Brigades are making great improvement.

For the greatest improvement, St. John's, Salisbury, St. Mark's, Charlotte, and Holy Communion, Dallas, deserve special mention.

With a thankful glance backward and a hopeful look forward, let us receive as true soldiers the challenge of our general president, Mrs. Morehead: "We accept the unfinished task as our most precious heritage, and pledge ourselves to carry on the work."

"A child is your second chance."

JULIA R. HALL,
Light Brigade Superintendent.

THOUGHTS CULLED FROM REPORTS RECEIVED FOR INFORMATION AND NOT PRINTED IN THE MINUTES

Annuity Secretary, Miss Clara Sullivan, secured no Bonds this year. She quotes Speer, "The most revealing factor of a man is the stub section of his check book" and urges that with Christ guiding the pen more checks would be written for Annuity Bonds. During this coming year let your check book carry a stub showing an Annuity Bond for the extension of Christ's Kingdom.

Box Work Secretary, Mrs. B. B. Miller, received most encouraging response to her effort. Fifty-one Women's Societies reported work in the department as over against 29 last year. Seventeen Light Brigades reported while last year found twenty-two reporting. Total number reporting this year shows a gain of seventeen over the number reporting last year. The work is growing and interest is enlarging. May the coming year find more societies evidencing an interest in this department.

Historian, Mrs. R. L. Fritz, presented a thoughtful report which was handled by the Committee on Letters and Papers. The recommendation was taken care of through this committee. The Historian says: "Again I call the attention of all societies to the fact that you are to preserve all records and turn them over to the Historian." It is most important to make and preserve accurate records in the local organizations.

Report of Student and Deaconess Secretary, Mrs. J. L. Yost, shows careful watch and supervision in this department. This Secretary is to be designated in the future "Young Peoples Secretary," and a determined effort is to be made to keep watch over our young college students.

Reports of Committees on Congregational Society Reports and Congregational Light Brigade Reports show that the Committees were alert to the contents of reports handed to them. Both made suggestions and the recommendation was offered, "That delegates of Women's Societies and Light Brigades bring informal reports to the Convention, of those particular features of their work

which have been most conducive to success and progress—rather than to make a duplicate of Statistical Secretary's and Treasurer's Reports." The Convention acted favorably on this recommendation. Some societies reported that Mission Study Classes prove more satisfactory when conducted within one week than when extended over a longer period of time. One society reported five more subscriptions to L. W. Work than families in the organization. Another society makes special mention that every subscriber is a READER. An increase of number of women making daily T-Offerings is noted. One Light Brigade renders a Missionary Program in Sunday School each month. A number of Light Brigades held Memorial Services for their sainted General Light Brigade Superintendent, Mrs. E. C. Cronk.

Conference Presidents, Mesdames Monroe and Boozer and Miss Efird, reported interestingly of their work. They seem to feel that the Conferences are serving the desired purpose of spreading information and carrying inspiration to different parts of the territory.

It should be noted that the delegation to Convention was splendid in view of the meetings having been held so far from the center of our territory. The attendance upon sessions was very good. Each delegate seemed to feel the responsibility of being "on hand." Each Committee did excellent work as assigned. The oral report of the chairman of Committee on Excuses, Mrs. Pless, showed very few absentees and not many leaving before the formal close of Convention. This is encouraging. Publicity Committee did fine work but for some reason the Associated Press failed them and publicity of proceedings in daily papers beyond Wilmington, was exceedingly meagre—even minus. The committees are deserving of sincere thanks and commendation and it is a matter of regret that scarcity of funds makes the printing of all reports impracticable. Could the Synodical Fee be collected in full, then there would be sufficient money in treasury to take care of the printing of full minutes. We are hoping that the necessity of this offering will be stressed more than it has been in the past. Please watch North Carolina Lutheran from time-to-time. Put it in your homes 100 per cent strong and see how interest develops. It will promote our work and help to advance the Kingdom of Christ in the world.

"And His servants shall serve Him."

"What does she in His Presence? Heart and brain
Coordinated to such fine intent,
Abounding energy so freely spent,
Words quick and warm, that fell like summer rain,
Can these have grown quiescent? Does no pain
Of earth's sad millions pierce the firmament?
Does she forget the world to which she lent
Strong hands of helpfulness?—Then love were vain!
Yet sweeter tasks—no longer pressed and driven
With sense of night approaching—may be hers;
Perhaps she walketh telling tales in heaven,
With little children for her followers,
Still homesick, even in that garden fair;
They shall be comforted, now she is there!"
